Re: **Town of Lake Park – 2009 NPDES Annual Report**  
CGA Project No. 02-2748.30

Dear Mr. Wertepney,

We have received comments from FDEP regarding the Year 7 Annual NPDES Report and offer the following response:

1. Section VII, Part III.A.9.B. Construction Site Runoff – Inspection and Enforcement. The permittee reported “1” construction site plan/permit application review (municipal sites) and “0” construction site inspections (municipal sites). Please provide an explanation why no inspections for the municipal sites were performed.

**Response: The project, Lake Shore Drive Drainage Improvements, has not been constructed yet, therefore no inspections have occurred.**

If you have any questions or require additional information, please contact our office at (561) 684-6161.

Sincerely,

**CALVIN, GIORDANO & ASSOCIATES, INC.**
