Town of Manalapan
Engenuity Group Project No. 03005**

Dear Mrs. Bull:

The following information is being submitted on behalf of the Town of Manalapan in response to the June 3, 2015 email for NPDES Permit No. FLS000018:

Section VII, Part III.A.9.c

- Did not report refresher training for site inspectors or site plan reviewers.
Explain why no training was performed.

The number site plan reviewers as well as site inspectors training should be 1. The site plan reviews are performed by an outside contractor where all the inspectors are certified through The Florida Stormwater, Erosion, and Sedimentation Control Inspector Training program.

If you should have any questions please do not hesitate to call.

Sincerely,

Lina Camacho, P.E.
