**Subject:** RE: Highland Beach MS4 Year 1 Annual Report Review (PA#B7050.10)

Thank you for the response to comments. The annual report for the City of Highland Beach is complete. Please see required improvements below.

Part III.A.9.b In future reporting periods, ensure private construction site inspections are tracked and reported.

Part III.A.9.c In future reporting periods, ensure that site plan reviewers and permittee operators receive annual/refresher training. Report the total number of staff that received annual/refresher training.

Thank you,

**Michelle Bull**
